OUR PREMIUM TONIC SELECTION

The Original Yuzu Ocha
Japan
Smooth and balanced, the Original Yuzu Ocha is delicate and versatile. On the nose, the intense citrus aroma of Asia yuzu is prominent, as it enhances the quinine, wrapped with subtle nuances of matcha green tea. Refreshing and stimulating on the palate, its fresh finish enriches this sensory experience.

Fentimans Tonic
England
To brew the finest all natural tonic, the Fentimans family sought to enhance the deliberate smoothness of the fermented organic base, with the delicate subtlety of Lemon Grass from the Cochin area of India and the distinctive sharpness of purified cinchona bark (the source of quinine) of the same continent.

Fever Tree Tonic or Mediterranean
England
By blending subtle botanical flavours with spring water and the highest quality quinine from the Fever Tree, they created a delicious, natural tonic with a uniquely clean and refreshing taste and aroma.

Thomas Henry Tonic or
Thomas Henry Elderflower
Germany
Bitter is the new sweet, and with Thomas Henry Tonic Water they bring it to perfection. Its particularly high quinine content and subtle floral citrus aroma are the key of its refreshing taste.

1724 Tonic Water
Chile
1724 Tonic Water takes its name from the location on the Inca Trail where quinine was discovered at 1724 metres above sea level. It is a premium tonic water which offers the perfect balance between acidity and sweetness. 1724 Tonic Water is made from hand-harvested Peruvian cinchona bark and some of the world’s purest spring water from Patagonia which give the drink its noticeably superior quality.
OUR PREMIUM GIN SELECTION

All our Gin & tonics are poured from 60 ml Gin and include one of our special premium tonics and our Martinis are stirred with 100 ml Gin of your choice.

A delicious English gin made with poppy, dragon eye, lotus leaves, citrus, almond, lavender and various other botanicals (12 in total). This is four times distilled in copper pot stills. Bulldog had the highest rating ever received by a gin from Wine Enthusiast Magazine. It was also voted a Top 50 spirit.

Brockmans Gin Bottling Note. Delicious gin made with Bulgarian coriander, blueberries and blackberries as well as bittersweet Valencia orange peels. The result is well balanced and full of flavor.

Desmond Payne knew he had to come up with something totally different for his recent addition to the Beefeater range. So he used tea! The 12 ingredients are Japanese Sencha Tea, Chinese green tea, Seville orange peel, grapefruit peel, lemon peel, juniper, coriander seed, liquorice, angelica root, almond and orris root. It is called Beefeater 24 because the botanicals are steeped in the spirit for a full 24 hours. The result is a fragrant gin with good sweetness.

Nose: Sweet with green apple laces, a little liquorice, juniper and elderflower. Perhaps even a hint of toffee? Palate: Crisp apples up front, slowly becoming juicier, with orange peels chiming in from the side. Dryer near the end with classic gin herbaceousness Finish: Refreshing with plenty of juniper & citrus.
HENDRICKS
Scotland 44%

Hendricks has become known as the cucumber gin, due to its use of mashed cucumber pulp added after distillation. Its mute tone of juniper and fine flavours of Bulgarian rose perfectly balance the Gin and give it just the right amount of cleanliness and crispiness combined by a unique velvety roundness.

NB GIN
Scotland 42%

Made from 100% British grain spirit and 8 carefully selected botanicals as juniper, lemon peel, grains of paradise, coriander seed, angelica root, cardamom, orris root and cassia bark.

THE BOTANIST
Scotland, Islay 46%

This is a world-class gin, 31 botanicals go into. The Botanist, including 22 native t Islay!
Nose: Big notes of botanicals, citrus delicate menthol and flower.
Palate: Cool at first. It quickly mellows out, warmth growing with citrus keeping it fresh throughout. Finish: Long, with a spice.
Overall: Islay isn’t just about the wisky anymore.
The Botanist Gin is top-notch

JINZU
Scotland 41.3%

A britisch Gin with a Japanese twist, made in Scotland. Jinzu Gin brings English and Japanese traditions together to create an exciting, intriguing spirit. It’s made with a blend of English gin (juniper, coriander, angelica, yuzu and Japanese cherry blossom as botanicals) and sake, which brings a luxurious, creamy mouth feel and a subtle, compelling sweetness to its flavour profile. Jinzu Gin was created for (and won!) Diageo’s Show Your Spirit competition by Bristol bartender Dee Davies.
We suggest: Born in Japan
fresh yuzu, lychee and passion charged with Jinzu Gin and balanced with St. Germain elderflower liquor.

A gin from Ballyvolane House named after Bertha, a Dromineann cow from Kerry said to have been the oldest in the world when she died aged 48 in 1993. The gin used whey alcohol from Irish dairies as its base with locally foraged botanicals.

**Nose:** Almond, hay, dried juniper and orange peel, too.
Floral angelica. Cumin spiciness develops.

**Palate:** Spice arrives first, with plenty of clove and cardamom. Soon becomes creamy and vanilla-y, joined by fresh citrus peels.

**Finish:** Slightly oily juniper. Lime and liquorice root.

**BLACK TOMATO**
Netherlands 42,3% Martini Cocktail 18

Black Tomato Gin is made using black tomatoes as well as a few drops of sea water! Shows off a fascinating balance between sweet and savoury flavours. 
**Tasting notes:** Herbaceous at first, before delicate vegetable sweetness builds and builds. Flakes of sea salt develop on the mid-palate. 
**We suggest:** Black Tomato Martini 
Black tomato gin shaken with freshly muddled baby Tomatoes, hints of lemon, fresh herbs and spices.

**STIN**
Austria 47% Martini Cocktail 18

28 Botanicals give this Gin its uniqueness. Foremost for this are the juniper berries, the south Styrian Apples and elderflower, as well as lemons and oranges. Likewise, the classic ingredients such as caraway and coriander contribute to the variety of flavors.

**THE ILLUSIONIST**
Germany 45% Martini Cocktail 19

The Illusionist from Germany is a lip-smacking gin that changes colour when combined with tonic. It's magic. For botanicals, the producers have used juniper, citrus, angelica, cardamom, lavender, liquorice, mace and rosemary.

**MONKEY 47**
Germany 47% Martini Cocktail 18

Predictably complex, this is a robust and powerful gin with plenty of spice, fruit and herb flavours. It is very well structured and difficult to unpick, however a citrus fresh start segues into pine and wood notes for a drying finish.

**BERLINER BRANDSTIFTER**
Germany 43,3% Martini Cocktail 18

Dry Gin from Berlin that seeks to bring a summer's day in this German city and
its immediate surroundings to your glass wherever you may be! Elderflower, woodruff and sweet blossoms combine in what remains a classically styled dry gin.

**ELEPHANT DRY GIN**  
Germany 47%  
Martini Cocktail 18

Produced with 14 botanicals that include some rather unusual but fascinating African ingredients like Baobab, the Buchu plant, Devil's Claw and African Wormwood. A very elegant, floral and well balanced smooth Gin with hints of crispy citrus.

**WINDSPIEL**  
Germany 47%  
Martini Cocktail 19

A German gin made with lovingly well-crafted potato spirit, using potatoes grown in rich volcanic soil. For botanicals they use a combination of juniper, lemon, ginger, coriander, lavender, cinnamon and a few secrets selections.

**THE DUKE**  
Germany 45%  
Martini Cocktail 17

The Duke Gin is going to enchant your sense of smell with fine aromas of eucalyptus, juniper, green pine needles, cracked coriander seeds and violet blossom followed by rather soft flavors of sweet palms, violet and juniper on the palate. Its aftertaste impresses with a slightly sweet floral finish with lasting violet and licorice flavorings.

**GINSTR**  
Germany, Stuttgart 44%  
Martini Cocktail 18

Is a new brand that beat out 600 competitors at the International Wine and Spirit Competition to win the “Gin & Tonic Trophy” – the award for the best gin for a G&T. It was the first time a German distillery won the prize. 46 botanicals are used in the production, including juniper, rosemary, cardamom, coriander, liquorice, Kaffir lime leaves, orange and hibiscus blossoms, and pomegranate pits, to name just a few. Bottles are labeled by batch and individually numbered.

**KNUT HANSEN**  
Germany 42%  
Martini Cocktail 18
A rather stylish Gin from German/Hamburg, named after Knut Hansen - a sailor who seemingly had fine facial hair, a selection of tattoos and the most striking baby-blue eyes you’ve ever seen. The Gin itself is made of a selection of 14 botanicals, notably apple, basil and cucumber.

**ADAM’S ORGANIC GIN**

This Gin is a handcrafted organic premium Gin from Portugal and the only Gin in the world in which one of the botanicals is the wine grape that only grows in “Bairrada”, a small region of this country, giving this spirit its unique fruity flavour. But also, vanilla, juniper, orange, lemon, cinnamon, ginger, cardamom and sage make this Gin so round and special.

**LAW GIN**

This Gin was founded by three friends who love Gin and Ibiza, and after realising that there was a plethora of juniper on the island and no gin made there, decided to take it upon themselves to change this. Capturing the essence of the island, it combines fresh lemon and orange, prickly pear, Ibiza salt, Pimientos de Padrón and Spanish cucumber, alongside other traditional botanicals. It’s distilled in Ibiza in small batches, producing only a few hundred bottles at the time, and after blended with Ibiza spring water.

**GIN MARE**

Gin Mare persuades with its fresh taste of juniper, bitter orange and lemon peel, cardamom and coriander. You will explore tempting notes of olives, basil, rosemary and thyme. Overall sipping this gin will make you feel like inhaling a breeze of the Mediterranean.

**EVER GIN**

Gin Ever includes over 10 different botanicals from the Mediterranean. The Gin impresses by its extraordinary softness in mouth and palate and convinces with its great balance of citrus, vanilla and mint aromas as well as ginger and licorice notes in the foreground.

**NORDÉS ATLANTIC GALICIAN GIN**
Nordes is a rather intriguing Spanish gin made with an Albariño-grape-based spirit, rather than your more commonly seen grain-based spirit, along with 12 botanicals including lemon peels, hibiscus, liquorice and eucalyptus. The result is a bold, floral flavour profile that would befit summer drinks and cocktails.

SAFFRON GIN
France 40%
G&T 15
Martini Cocktail 19

Boudier's Saffron Gin is an extraordinary gin which gains its marvellous tawny-orange hue with the addition of saffron and its lovely buttery texture makes it a true pleasure.

NO. 209
San Francisco 40%
G&T 14
Martini Cocktail 17

Dominant fresh citrus on the nose with light floral aromas following. Slight sweet start with a hint of spice on the palate that develops significantly. Rather warming near the end that creates an incredibly long finish.

BROOKLYN
New York 40%
G&T 15
Martini Cocktail 18

Brooklyn Gin is a rather vibrant gin from New York, made by three chaps using 'hand-cracked' juniper and fresh citrus peels (rather than frozen or dried peels). With big, well-rounded notes of citrus at its core, this works excellently in fruit-forward, lip-smacking cocktails.

ROKU
Japan 43%
G&T 15
Martini Cocktail 18

The first gin from Japan's legendary Suntory - Roku Gin. This expression is made using a selection of botanicals, including six Japanese botanicals that provide a whistle-stop tour of the four seasons. These include sakura leaf and sakura flower for spring, sencha tea and gyokuro tea for summer, sansho pepper for autumn and yuzu peel for winter. Traditional gin botanicals also featured include the likes of juniper, orange peel, lemon peel, coriander and cinnamon, among others.

NIKKA COFFEY GIN
Japan 43%
G&T 16
Martini Cocktail 19

Produced in Coffey stills using a base of barley and corn, Nikka Coffey Gin features a selection of enjoyably vibrant botanicals, including amanatsu, kabosu,
shikuwasa and yuzu, as well as sansho pepper, among others. The taste is creamy lemon with a subtle oily element developing, soon joined by almost tropical fruit sweetness. This is well-balanced by peppercorn, pine and fennel.

**SAKURAO DRY GIN**

*G&T* 16

*Japan – 47%* Martini Cocktail 19

Marvellously refreshing gin all the way from Japan! Produced by Chugoku Jozo. Sakurao Japanese Dry Gin is made with a selection of local botanicals including yuzu, Japanese cypress, oyster shell and cherry blossom, alongside some traditional important ingredients like juniper and coriander, citrus, white pepper and hints of vanilla.

**PETER OF FLORENCE**

*G&T* 16

*Italy – 43%* Martini Cocktail 19

Peter of Florence is a tribute to Florence, the "gin of elegance". It is a classic gin, in compliance with the rules of London Dry Gin, but innovative, also for the use of various botanicals.

**YELLOW GIN**

*G&T* 14

*Italy – South Tyrol 42%* Martini Cocktail 17

This Gin brings lake Garda to wherever you are! While sipping it you will experience the unique Mediterranean taste of fresh lemons from Limone and Mediterranean herbs from all over the Garda lake, followed by this Gin main ingredient, rich notes of cypress cones from Sirmione which will smoothly embrace your palate.

**DOL GIN**

*G&T* 15

*Italy – South Tyrol 45%* Martini Cocktail 18

This Gin convinces by its regional roots. You will taste the clarity and naturalness of the Dolomites in every sip. The 22 in the „Sciliar area“ wild grown botanics and herbs, which were already used since hundreds of years by herbal woman and witches, give this Gin its complexity and quality. The pure glacier water connects everything harmoniously. Already in the nose the Gin dedicates with a bouquet of juniper, mountain herbs and freshly granted pepper. Towards the palate it finishes with a rather fruity condiment and discreet bitter notes from the gentian root.
**Z44**
*Italy – South Tyrol 44%*

This delicious fresh South Tyrolean Gin distilled in small stills, convinces because of its very unique pine cone taste and seems very well balanced at the same time since a lot of botanicals like gentian root and yarrow are combined with aromatic orange peel, coriander and cardamom seeds.

**MALFY GIN pink grapefruit or lemon**
*Italy – 41%*

It should come as no surprise that the folks behind Malfy Gin are very talented at incorporating citrus of all varieties into their gin. This ace Italian Gins are built around the awesomeness of Sicilian pink grapefruit or lemon, and features a hint of rhubarb too. The perfect base for a very refreshing drink.
